### THE CENTER FOR ENRICHED LIVING

Established in 1968, The Center for Enriched Living, located in Riverwoods, Illinois, is a private nonprofit organization that serves people of all ages with developmental disabilities. We call our participants "members" to foster a sense of belonging. Our programs emphasize the achievement of greater well being and autonomy by enabling our members to cultivate meaningful friendships, develop valuable life skills, enjoy the benefits of leisure and recreational activities, continue life long learning and participate more fully in their community.

Your support of The Center through our annual Golf Tournament helps us meet the most basic of human needs—the need to belong.
