## ZOOM GUIDELINES

We will review the following guidelines with everyone during the first week of virtual programs. Our priority is to keep our programs safe for all participants. We may also use closed captioning and the mute feature.

- **Arrive ON TIME.**
- **Find a QUIET SPACE** to minimize background noise.
- **Be sure you have a strong internet connection.**
- **CEL rules still apply!** If you wouldn't say it at CEL, don't say it in the zoom programs.
- **Video must be on.**
- **Mute yourself as needed.** The host will mute you if background noise is interfering.
- **Share your ideas** and be open to learning something new!
- **Don't take photos.** To ensure everyone's privacy, please don't take pictures during zoom programs.
